

Highway Superintendent Report: 01/17/2017 * Larry White

Most of our time has been spent on snow and ice removal. The only issue we had was 1 truck off on the Hatch road with no damage.

We have placed the sand bags at the ball field for the ice rink.

We have removed trees on the Forbes, Dutton and Tooley Pond roads.

We have picked up the 2009 Mack we purchased from Plattsburg and are working on a set of sand screens for it.

We picked up our loader from Syracuse and returned the County loader to them on 1/13/17. We thank the St. Lawrence County Highway Superintendent Don Chambers for the use of theirs.

We completed our first Aide & CPR cases on 01/09.

This has been a busy month with some long hours at times and I thank the men for a job well done.
