

Highway Superintendent Monthly Report

Highway Superintendent Report: 08/20/2019 * Larry White

We have completed weed eating and brush removal around all guide and bridge rails.

Ryan Miller started on 7/22 to replace Billy Hance.

We completed drilling for the county on the bridge project.

We repaired the driveway at the South Russell Cemetery.

We have repaired several minor wash outs on shoulders.

We have cut shoulders on the Dutton, Lafaver, Blanchard and sections of Boyd Pond and Forbes roads.

We have cut brush on the Dutton and Blanchard Hill roads.

We have been patching roads and filling woodsheds as time allows.

We have mowed some sections of roadsides for the 2nd time and started today on more.

We have completed the hill section on Blanchard Hill and are now on Lazy River; the main sections of fill are in place on Lazy River and we are checking to see what blasting is required.

We have worked with Edwards, Hermon and Dekalb and they helped us truck in fill for our projects.

The summer youth program has ended, and we thank the boys for their help.

We have replaced pipes on the Hill and Dutton roads.

We hope to be ready for our remaining paving within 2 weeks.

I handed in a check from Timm's Salvage to the clerk in the amount of \$417.05 for scrap metal.

This has been a busy and productive month and I thank the men for their efforts.
