

Highway Superintendent Monthly Report

Highway Superintendent Report: 08/16/2022: Richard Meilleur

All back stops have been removed from the ball fields.

We have completed our paving projects and backed up all the shoulders. We paved .4 miles on Boyd Pond Road, 1 mile of shim & Top on the Pyrites-Russell Road, 1.3 miles of shim & Top on the West Road, and 1.2 miles of Top on the Cassidy Road. I would like to thank the Town's of Hermon, Fowler, Edwards and Dekalb for the use of their trucks on our paving projects.

We have been screening sand for winter roads and cutting brush on the Hewlett and Donnerville roads.

We have installed 3 12' driveway culverts on the Hill Road and have done ditch cleaning in various locations also the roadside mowing is about 75% complete.

Tyler Bristol has 5 years of service as of 8/1/22 and is due 1 week more vacation time.

Tim and I met with NYPA and Michaels and submitted a bill for \$96,000.00 in damages from the power line project to North Woods Road and Lazy River Road.

I would like to thank the men for another safe and productive month.
