1- Financial Report

- Details of all income and expense transactions have been filed with the town clerk.
- Account balances as of April 16, 2024 for the general fund, highway fund, capital improvement fund, and street light fund have been filed with the town clerk.

On March 27, I met with Peggy to work on the Sam.gov for grants, and received confirmation on the 28th that the town is good to go for USDA loans and grants.

I met with Doug, Andy, Richard, and Pete at the ballfield to discuss bathroom project, I have created a cart at Lowes to be sent out to corporate for pricing, I will have delivery shipped of all supplies to town barn upon purchase.

I went to real property and got a survey map, in the area from the rear of the church to the solar panels, closer to the church would be best bet for a community garden, with stipulations of no use after day light hours.

I wrote a letter to Don Chambers SLC Highway, for permission of use of county rt 24 for a parade on 7-21-2024.
